THE BOOK

There are few up to date EMQ revision books for the MRCOG Part 2 exam. With this book, the follow up to their 'SBAs for the MRCOG Part 2' the authors have written current material, provided in a simple format. Thorough explanations and contemporary references are given for each answer, to help the reader maximize their study time, and to offer guidance to further relevant revision sources.

The book is divided into an obstetric section and a gynaecology section, with each containing two complete exam papers of 50 questions in each section. The questions can be used either throughout revision preparation or as mock papers to be fully rehearsed and prepared prior to the exam day.

We hope that this up to date EMQ exam preparation book will assist your learning in the great challenge of successfully passing the Part 2.
